E-mail: [mauro.maggioni at duke.edu](mailto:mauro.maggioni@duke.edu)

Homework policy as in the previous homework.

Assignment

Carefully study the chapters on eigenvalues, Raleigh quotients, power iteration, and QR iteration. They contain a lot of material, and fundamental ideas.

Exercise 27.5 [25 pts], 28.2 [20 pts], 28.3 [10 pts].
